APPLICANT REPRESENTATION, AUTHORIZATION AND RELEASE
(PLEASE READ CAREFULLY)

I hereby represent that the information contained in this application and any supplementary submission is complete and true and that no material facts which are reasonably likely to influence the judgment of the underwriter in considering this application have been omitted. **I agree that this shall be the basis of the policy of insurance requested and that I will notify the Association of any changes contained herein.**

I acknowledge that as a condition precedent to acceptance of this application and any future renewal thereof, an inquiry and investigation of my professional background, qualifications and competence including such other underwriting or claim matters as are deemed relevant, may be conducted by the Association or its duly authorized representatives. I expressly consent to any such inquiry and investigation between any professional organizations in which I am or have been a member, their insurance consultants or agents, any hospitals at which I hold or have ever held staff privileges or have had an application for staff privileges denied, any state licensing agency, any attending or treating physicians, any prior insurance carriers, prior employers or professional associates and the Association or its duly authorized representatives. I hereby release and discharge the providers of information, the Association, its duly authorized representatives and the members or consultants of any established peer review committees from any and all legal liabilities which might otherwise be incurred as a result of any communications, reports, disclosures and recommendations made or any acts performed, in good faith, in connection with any inquiry or investigation initiated by the Association or its duly authorized representatives.

I understand that Birth Center Facility Liability Insurance issued by the JUA **excludes coverage for** claims arising out of, relating to, in consequence of or in any way involving the following circumstances occurring at any insured birth center:

Planned breech labors and/or deliveries

Labors and/or deliveries of known multiple births

Planned labors and/or deliveries influenced by Cytotec (misoprostol) Planned

VBAC labors and/or deliveries

Use of vacuum extractors or other instrumental delivery devices.

I acknowledge that this is not an exhaustive listing of exclusions and that the scope of coverage provided by the JUA, if any, is set forth in and is governed by the language of the insurance policy itself.

I acknowledge that pursuant to WAC 284-87-090, WAC 284-87-110 and WAC 284-87-120, coverage is offered to a licensee if the licensee is judged to be an acceptable insurable risk. Policies written by the association will not automatically renew. To obtain continuing coverage by the association, a licensee must again satisfy initial eligibility requirements under WAC 284-87-090 at the end of the expiring policy term.

I acknowledge that policies can be canceled for non-payment of premiums or with prior written approval of the commissioner upon the request of the board, for cause, which would have been grounds for refusal of coverage under WAC 284-87-090. Acceptable standards include implementation of risk consultation recommendations. Pursuant to RCW 48.87.080 a risk management program for insureds of the association must be established as a part of the plan. This program must include but not be limited to: Investigation and analysis of frequency, severity, and causes of adverse or untoward outcomes; development of measures to control these injuries; systematic reporting of incidents; investigation and analysis of patient complaints; and education of association members to improve quality of care and risk reduction.

I acknowledge that policies are the property of the named insured/policyholder. Only the named insured/policyholder can request coverage changes or termination of coverage. The named insured/policyholder is ultimately responsible for payment of premiums regardless of any payment arrangements otherwise made.

Premiums can increase based upon risk and claim history.
